

ADULT- MANAGED MEANING - FOCUSED

BACK AND FORTH TAKING TURNS

Time: 10 minutes

Materials:

- None

Encourage the child to talk about and share what they know through the practice of taking turns during a conversation. Have a picnic on the floor with the child to start a conversation. Ask the child to invite their stuffed animals or toys to join. Talk about something of interest to the child.

Encourage the child to talk for their stuffed animals as they all take turns sharing the child's ideas.
